If the document being adopted has been challenged (WAC 197-11-630), please describe: N/A

The document is available to be read at (place/time): 1111 Washington St SE Olympia WA 98504

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

☒ There is no comment period for this DNS.

☐ This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 15 days from \_\_\_\_\_.  
Comments must be submitted by \_\_\_\_\_.

We have identified and adopted this document as being appropriate for this proposal after independent review. The document meets our environmental review needs for the current proposal and will accompany the proposal to the decision maker.
